Announcements

- Please ensure your dog is secured in your yard and/or being supervised at all times. We've received several reports of incidents that occurred on 107th Ter. Please be a considerate dog owner.
- We understand that there has been a great deal of rain this summer, but the city code specifies that grass and weeds need to be managed. If there are concerns in your area, please talk with your neighbor or contact city services by calling 311, using the app on a smart phone or the web. There is a specific section for weeds and overgrowth and the city will follow up. See steps below.
